- Arabic (Native)
- French (B2)
- English (B2)

PROFESSIONAL EXPERIENCE

MarocSphere - Full-Stack Developer Intern | Jul. 2026 · 2 months

- Led the development of a tourism platform integrating AI, itinerary generation, mapping, and local services.
- Coordinated the team and contributed to backend development, testing, and deployment.
- Spring Boot · Angular · Docker · Cloudflare · Git · k6 · Postman

Cadi Ayyad University - Web Maintenance Intern | Mar. 2026 · 3 months

- Led the development of a tourism platform integrating AI, itinerary generation, mapping, and local services.
- Coordinated the team and contributed to backend development, testing, and deployment.
- Spring Boot · Angular · Docker · Cloudflare · Git · k6 · Postman

EMJE - AI Project Team Leader | Oct. 2025 · 3 months

- Led a team of 4 to develop and deploy a café monitoring model in collaboration with a startup.
- Python · YOLO · Roboflow · Kaggle · Google Colab

EYSI - Full-Stack Developer Intern | Jul. 2025 · 1 month

- Co-developed a property management platform in a two-person team, with a focus on backend development.
- Laravel · React · Git

PROJETS

E-Banking Platform - Academic Project:

- Developed a digital money transfer platform, with primary responsibility for backend development and user/tariff management.
- Spring Boot · Angular · Git/GitHub

Carpooling Optimization - Academic Project

- Developed a carpooling optimization system based on graph theory and shortest-path algorithms.
- Python · Optimization Algorithms

Purchase Recommendation System - Academic Project

- Designed a recommendation system leveraging large-scale data processing.
- Apache Spark · Apache Flink · MongoDB

EXTRACURRICULAR ACTIVITIES

- EMJE Club - Member, then President: IT project development and organization of training sessions, events, and competitions.
- Self Dev Club: Participation in training sessions and public speaking competitions in English and Arabic.
- Hackathons & Competitions: Participation in Water4Future and several IT competitions, including a robotics competition.
- Community Engagement: Participation in community initiatives and electoral observation in 2026.
